Post Activity :

A user can post an activity which he is doing or willing to do.

The screenshot shows a web interface for posting an activity. At the top, there is a dark purple header with a logo on the left and 'SEARCH' and 'LOGOUT' links on the right. A notification box in the center reads: 'Your Activity for play is shared. If anyone wants you to be your partner they will be able to find you.' with an 'OK' button. Below the header, the main heading is 'Activity-Party. Post what you wanna play and find a mate.' The form consists of several input fields: 'I want to party by' with 'Drinking' entered, 'on' with '12/13/2016' entered, and 'at' with a dropdown menu showing 'Keating'. A 'Post and find mates' button is located below the 'at' field. Underneath the form, there is a section titled 'Other Activities' with links for 'Study || Sport || Movie || Miscellaneous' and a link 'Click here to go back to home'. A 'RECORDED WITH SCREENCASTOMATIC' watermark is visible in the bottom left corner.

This screenshot shows the same web interface as the previous one, but with a list of activities displayed below the form. The header is identical. The list of activities includes: 'preddy willing to party boozing on 2016-12-13 at Galvin Library', 'Sandeep123 willing to party Drinking on 2016-12-13 at Keating' (highlighted with a blue box), 'preddy willing to ride bicycle on 2016-12-12 at Stuart Building', 'sk123 willing to study data mining on 2016-12-08 at Stuart Building', and 'sk123 willing to study ewa on 2016-12-07 at Galvin Library'. The footer contains a 'RECORDED WITH SCREENCASTOMATIC' watermark, an 'ADDRESS' section with '1234 Street Name', a 'CONTACTS' section with 'Email: demo@demo.com', and a 'GOVERNS' section with a link to 'Privacy Policy'.
